

Points of Interest - Gillett Area

Welcome to the City of Gillett.
No Community is One Dimensional.

If we were to paint a mental picture of the perfect place to live it would include superior education and medical facilities. We would place the community close to hundreds of thousands of acres of state, county and national forests and a host of rivers, streams, and lakes. Why not put a lake in the middle of town? Let's include hiking and biking trails and of course we should have a state corridor recreation trail through the center of town for the snowmobile, bicycle, horseback and ATV enthusiasts.

We aren't done yet. How about including a turn-of-the-century downtown with the magnificent architecture of the Wisconsin lumber boom that is well maintained by a community where the vision for the future includes preservation and appreciation of the past.

Now we can sprinkle the city with private display gardens to add color to the masterpiece.

Amazing! We just painted Gillett, Wisconsin known as the Garden City and dubbed the ATV Capital of the World!

While you visit don't forget to stop at OJ's restaurant voted to have the "Best Pie in the State" according to *Wisconsin Trails Magazine*.

Gillett is a welcoming community with much to offer. Please join us for a sample of rural America at the Oconto County Youth Fair, Horse Show, ATV Adventure Weekend and Christmas in the Park. As well as many additional activities such as motorcycle rides and music festivals. Be sure to frequent our many websites listed below to find out what is happening in the wonderful City of Gillett.

An exciting project under continuing development is the Gillett Area Historical Society (GAHS) Museum at 110 W. Main Street. The Victorian home was purchased in November 2007 to house the growing collection of memorabilia that the GAHS has been collecting. The home with its interesting three-story turret in the front was built in 1908. There is still a fountain and coy ponds in the large backyard and the lush gardens will be tenderly restored.
